Part B for March 1936.

SUBJECT.

Revising the Scale of pay of the Mudaliar and the peons of the Office of the Representative Assembly and Legislative Council.

Sl: 1. To The Comptroller ~~to Govt.~~ and the Secretary, R.A. & L.C. No. RL 419-20 dated 18th Feby. / 10th March 1936.

EAS 10/12/3/1936.

Representation dated 4-12-1935 from the Mutchi and Peons of the Office praying for the grant of progressive scales of pay to them as in the case of the mutchis & peons of the Secretariat.

1) One Mutchi on Rs. 15/- and 4 peons on Rs. 11/- were sanctioned for the Office in G.O. No. PS268-5228/E.C. 17-23-3 of 22-3-1926.

The scale of pay of the menials Mutchi was revised in the year 1930 as per G.O. Ref 1045-6/RA. 72-29-1 dated 27-3-1930 and the pay was fixed at Rs. 13, 12, 11, &11 for the peons and a grade of Rs. 15-1-20 was fixed for the Mutchi.

The present representation is to grant them the progressive scale of pay as is obtaining in the Secretariat — Rs. 15-1-30 for the Mutchis and Rs. 11-½-15 for the peons after the reorganization of 1929.

The ~~Secretarial~~ Associated Offices have been ordered to be treated as one unit with the Secretariat. In that view, the grades of pay of the Mutchi & the peons have been of the Office of the Kannada Translator to Govt., have been ~~revised~~ revised to be on a par with those obtaining in the Secretariat.

Submitted for orders.

20.12.35 It seems but fair to allow the mutchi and the peons of this office the same scale of pay as has been given to the similar establishment in the Secretariat proper and in the Kannada Translator's office. If this is done the extra cost will be only Rs 13/- per mensem.
Submitted for orders with reference.

(4) In C.R.B. Office the Scale of pay of the Mutchi is Rs 15-1-30 and that of Peons is Rs 11-½-15. In the Publicity Office, there is no appointment of Mutchi & the Scale of pay of the Peon is Rs 11-½-15.

It is thus seen that the Scale of pay of Mutchies and Peons in all the Associated Offices, except this office, is the same viz. Rs 15-1-30 for Mutchis and Rs 11-½-15 for peons.

BVN. 9.1.36.

(5) The R.A.I.C office is for purposes of recruitment, salary etc treated as part of the Secretariat. The salary of the peons & the mutchi maybe placed on the same scale as that obtaining in the Secretariat & other associated offices.

(7) The present is not the time for improvement of scales of pay as proposed. There is a proposal to revise the scales of pay of subordinate posts in a downward direction as was done in the case of gazetted posts, and it may also be necessary to examine the scales of pay of menial posts. Until this question is settled and until the financial position improves such proposals are not financially acceptable and have to lie over.

Revising the pay of the Mutchi & the menials of the R A & C office so as to correspond to the G.R.S. Scale.

(13) I have no objection to the scales of pay of the menials of the R.A. Section being revised on the basis of the scales of pay of the G.R.S. if it is considered absolutely necessary. But in the present financial condition and as per G.O.No. 603-62 dated 18-7-35 such revision should not involve net extra cost to Government and should be counterbalanced by corresponding reduction in recurring expenditure in some other direction and extra expenditure has to be avoided. The proposals of the Comptroller and certain other officers for revising the scales of pay of the menials of their offices on the basis of the scales of pay of the menials of the G.R.S. have been turned down on financial grounds, and we should in fairness apply the same principle to the Secretariat also. I would therefore respectfully suggest that this revision may be put off or if it is to be sanctioned, corresponding savings should be shown by reducing the number of menials or otherwise.

Jl 24/2

(14) It is considered very necessary to revise the scale of pay of the menials of the R.A. Office on the basis of the scales of pay of the Secretariat. The duties devolving upon the menials of this office are in no way less onerous than those of the menials of the Secretariat during ordinary times, while during the sessions

sessions of the Representative Assembly and the Legislative Council and for a month before and after each session, they will have very hard work to do, attending office early and late. Formerly, up to the year 1930, a Bicycle Peon on a pay of Rs.11 with a cycle allowance of Rs.2/- used to be sanctioned in connection with each session of the Representative Assembly, to attend to the extra work involved, but this arrangement has been given up of late owing to financial stringency, thereby saving some recurring expenditure on Establishment. This has naturally thrown extra work on the permanent establishment. The present scale of pay of the menials of the Secretariat was sanctioned so long ago as August 1929 and in spite of the repeated representations of the menials of this office since then for the grant of the same scale of pay as in the Secretariat, the question was kept by till now on financial grounds. The peons of this office have been stagnating on the same pay for a number of years, while their brethren in the Secretariat and in the Kannada Translator's Office have been getting some increment year after year. Some of the peons here are also advanced in age and it is feared that the feeling of discontent among them may interfere with efficiency of work, ~~which is considered due to which is denied~~

As regards reduction in expenditure on establishment, the practice of entertaining a hand on Rs.40/- for a period of 4 to 6 months during the years of reconstitution of the Representative Assembly and the Legisla-

Legislative Council has also been discontinued from 1930, thereby saving recurring expenditure to the extent of Rs.240/- per each election year. The extra cost involved in this revision is thus nearly counterbalanced by the savings already effected. The suggestion of the Financial Secretary for reducing recurring expenditure will however be constantly kept in view and all possible attempts will be made to give effect to it. Savings to the extent of Rs.240/- have been effected under Establishment during this year by appointing an official on Rs.30/- in place of the Kannada Shorthand Reporter who was drawing Rs.50 and who is now on other duty. In view of the hard cases involved, it is requested that the revision resulting in an extra expenditure of only Rs.13/- per mensem may be kindly given effect to.

OFFICE OF THE SECRETARY
5 DEC. 1935
REPRESENTATIVE
LEGISLATIVE ASSEMBLY

We, the Mutchi and Peons of the Office of the Secretary, R.A. and L.C., beg to submit the following representation for your honor's kind and sympathetic consideration.

The pay of the peons of this office was fixed in 1929 at Rs.13, 12, 11 & 11, and that of the Mutchi in grade Rs.15--1--20. From that year we have had no increment in pay, though we are all working very hard and quite loyally.

In G.O No. O. 348/O.E.155-28-3 dated 5-3-1929, the revision of the scales of pay of the Menial Establishment of the General and Revenue Secretariat was sanctioned, giving a graded scale of pay of Rs. 11--1/2--15 for the peons and Rs. 15-1-30 for the Mutchis.

In G.O. No. O. 2127-35/O.E. 174-28-2 dated 21-12-1929, Government have ordered that "the G.R.S., and the associated offices (including the R.A. and L.C. Office), will be treated as one unit and the vacancies in these associated offices will be filled up in consultation with or under the orders of the Chief Secretary to Government."

Again, sir, in the G.O. sanctioning a revised scale of pay to the Establishment of the Kannada Translator to Government in December 1929, it is stated that "the office of the Kannada Translator to Government, though constituted as an independent unit, is practically a part of the Secretariat" and that "Government therefore consider that the rates of pay of the staff of the Translator's Office should be the same as those prevailing in the G.R.S." The scale of pay of the Mutchi & Book-binder and the Dalayets of the Office was raised to. 15-1-30 and Rs.11--1/2--15 respectively in the G.O.referred to above.

Sir, as our office is treated as one unit with the G.R.S., we humbly pray that our grade may also be kindly revised to

that of the Secretariat on the analogy of the revision of the scales of pay of the Kannada Translator's Office, which is an associated office like the R.A. and L.C. Office.
